FUTURE FOUNDERS

OUR CLUB'S PURPOSE

We help students:

- Discover their field of interest, whatever it may be
- Enter top-tier competitions
- Learn presentation, writing, research, strategy, and pitching for these competitions
- Build innovations that support specific enhancements that can be made, or problems to be solved
- Build viable brands around these solutions and ideas.

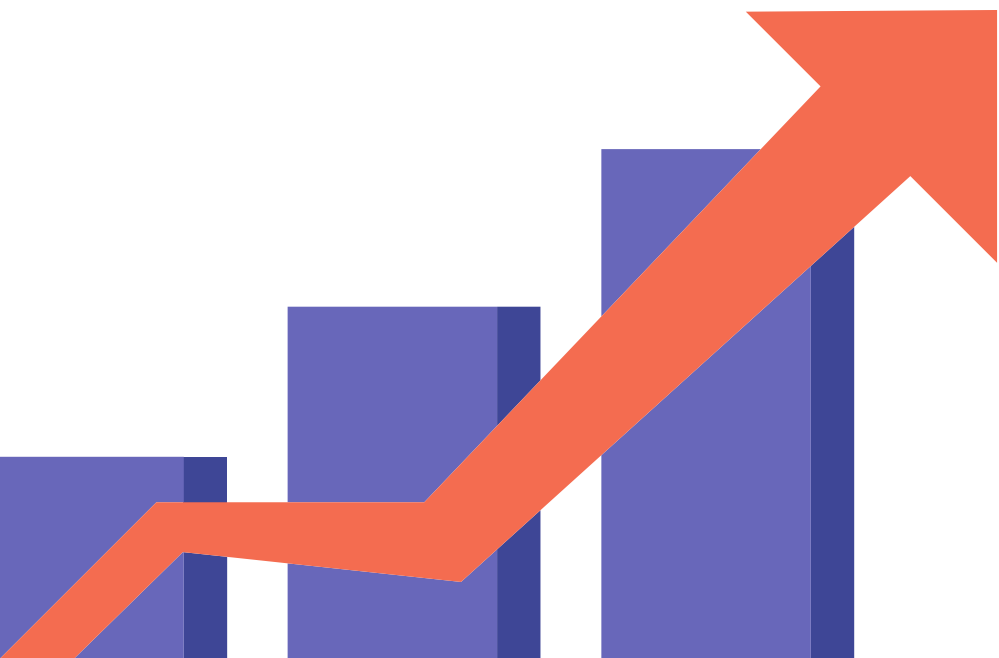

WHY WE ARE DIFFERENT

Our Club:

- Multiple competition pathways
- Mentorship for building real innovation projects
- Guidance in research, pitching, finance, slide design
- Freedom to choose competitions based on interest
- A team-driven, customizable structure
 - More emphasis on creativity and innovation

Others:

- Rigid Competition Guidelines
- Rigid categories
- Limited pathways
- Limits on # of events
